NOTICE: One-Way Drive restriction and speed limit on the Ground Floor

Dear Residents,

In order to improve safety of kids and pedestrian, AMAOA has adopted "One-Way Driveway" on the ground floor inside society premises, with an Upper Speed Limit of 5 Km/hour.

One-Way driveway will be applicable on all type of motorized vehicle movement bound on ground floor driveway.

Kids and pedestrians have 1st right of cross the driveway.

Drivers must slow down or standstill their vehicle and let pass kids/pedestrian.

Parents are humbly requested to educate kids to refrain themselves from surprising drivers by sudden appearance on the driveway.

Kids and pedestrians are also advised to check vehicular movements while walking/cycling on the driveway and follow one way rule.

The one-way driveway rule will not be applicable in case vehicle is coming out from basement and going out of society (as this area do not involve kid's movement).

Co-operation is highly solicited from all residents to ensure safety of kids and to make our society a better place to live.

(Secretary)

Thanks

Angel Mercury Apartment Owners Association
